Purpose of the presentation

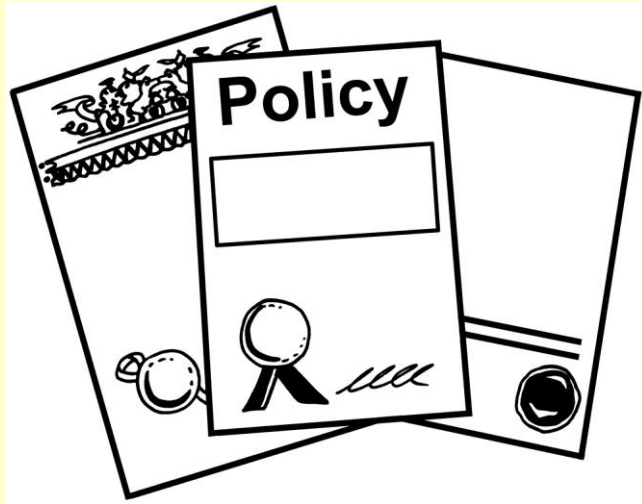

To tell the Partnership Board about the plans for the Employment Sub Group for the next 12 months

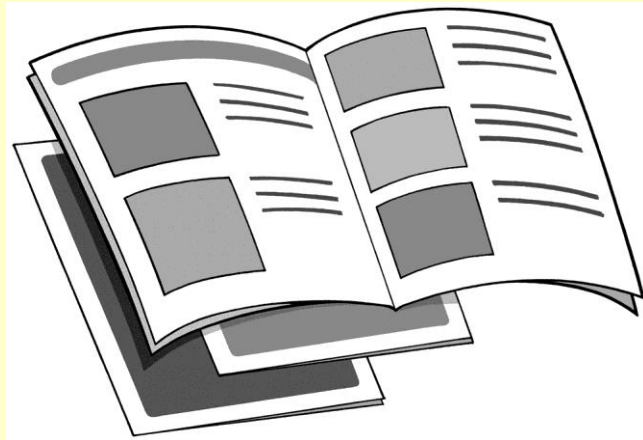

What the group want to work on over the next year

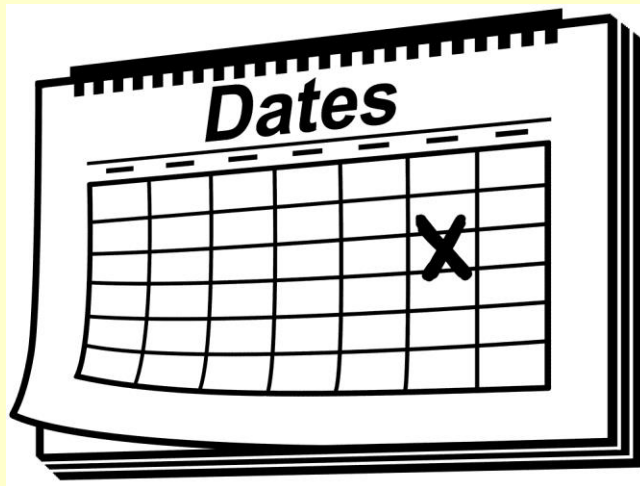

- Know what is happening with new benefits and if this will help people get jobs
- Work with employers to make chances for more jobs
- Look at paid and voluntary opportunities

- To know what the government are saying about people with Learning disabilities and having a job

- To make a difference
- To send a questionnaire to find out what people want and what works and doesn't work

- The questionnaire will be sent out in June for people to complete.
- The group will choose a completed questionnaire give a prize

Questionnaire

- The group will meet in June to look at the questionnaires and what people have said
- The group will look at what people have said and then complete another action plan

Sub Group Meeting

- Alison Doggett will be running the meeting for the Partnership Board and will complete the feedback form.
