

# Action in Melton launch

On Tuesday 22 March ,  
we had an open day at Melton  
Library.

We want to get more people to  
come to our Locality Group  
meetings.

Lots of people with learning  
disabilities and their carers came  
to the event.

Riyaz helped with the drinks.

Alex came to paint nails.

Karen came to tell people about the new evening social group.

Jo came to tell people about carers groups.

Emma came to find out what sports people with disabilities would like to do in Melton

We gave away fruit to promote healthy eating.

It was really hard work, but we did it we had a brilliant day.
