# Purpose of the presentation

1. To talk about the Joint Self-Assessment Framework 2013/14 Action Plan and share the plans we are putting in place to improve the lives of people with a learning disability

2. To ask the Board to think about how the plan will improve the lives of people with a learning disability

3. For the Board to agree the plan before it can be presented to the Big Bosses

# What is in the plan?

- Buying the right services for people at the right time
- How we will make sure that services are safe
- Keep checking that Health Checks are being done
- Being sure that we know who needs what services – A register
- Setting out a plan for the next few years for providing services to people with learning disabilities

## What is in the plan? (2)

- Making sure staff are trained to work with people with learning disabilities
- Involving people with learning disabilities/carers in planning services

- Making sure people with learning disabilities who do not need to be in a residential care home have a suitable place to live in the community

## What is in the plan? (3)

- Compare health screening information of people with a learning disability with those people without a LD (cervical cancer, breast screening and bowel screening)
- Supporting people with Learning disabilities in employment, suitable housing and transport

# What we would like the LD Partnership Board to do...

1. Have a discussion about what we are planning to do

2. Tell us how the plan could be improved

3. Agree to the plan before it can be presented to the Big Bosses

# The End

Thank you for listening.
