

## Priorities (Action Plan) for 2013 / 2014

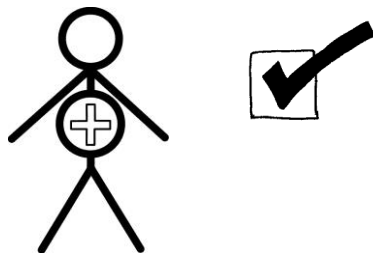

### Choice and control

Not just about money but about a person's life. Everyone is different.

### Good quality

Local services for people who want them or need them. People want to be close to their family and friends.

### Good health

and a good life for people with Learning Disabilities and their carers in Leicestershire.

### Raising awareness and communication

Tell people what we do and what the Partnership Board needs to think about.

Some people know but we need lots of people to know. People with a Learning Disability and their carers can help other people to develop good services.
