

## Self Advocates Pre Board Meetings

- Self Advocates meetings are held at 9.30 am on the day of the Partnership Board.
- Anyone with a learning disability is welcome to join the meeting and can bring their own support with them.
- These meetings will explain what the meeting is about and what the presentations are.

## Workshops

Attendees at the Partnership Board meetings will all join a workshop after the presentations to discuss these questions:

1. What did you think about the presentation?
2. How can we help that organisation/group?
3. Is there anything else you want to talk about?

The answers from the workshops will then be discussed at the meeting.
