

# Leicestershire Learning Disabilities Partnership Board

## Workshop / Feedback Professionals and Carers April 2014

### Speaking up for Health Group

#### **Do we need a Speaking Up for Health Group?**

Yes – involvement in interview process

#### **Do you have any ideas about what the group needs to do?**

- Speaking up for yourself groups – Thera – can we link?
- Quality Checkers Group – good experience in services
- Can we join together?
- Look at different areas?
- Support from workforce groups
- Need to talk to City and Rutland
- Thera can go to Locality meetings
- Need to think about how to join things together
- Lots to talk about – will need time to talk about health
- Not just meetings – lots of preparation and doing projects
- Can other people help train around things like interviewing, presenting, checking services?
- Work with Adult Learning who could put on short courses
- Could involve carers as checkers etc
- Training of people supporting the groups in communication
- Links to Education and preparing checking information? Further Education
- Charging – setting up a service Business Plan
