About this presentation

- This presentation is about Leicestershire's Winterbourne Plan
- We want to tell the Board what we have been doing to make sure people safe
- We want to tell the Board about the work we are doing with Children and families

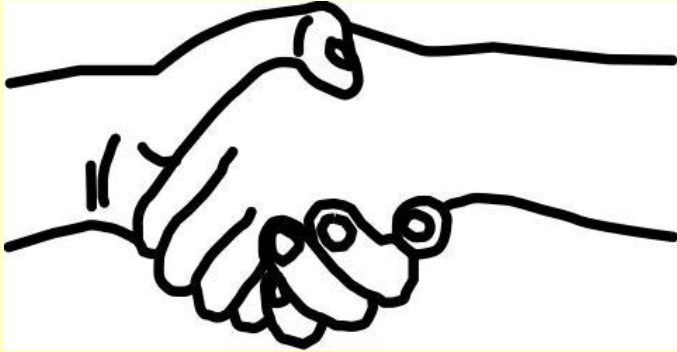

Leicestershire Winterbourne Plan

- 5 Big things
 - Understanding our People
 - Effective Commissioning
 - Quality and Compliance
 - The Right workforce
 - Keeping People Safe

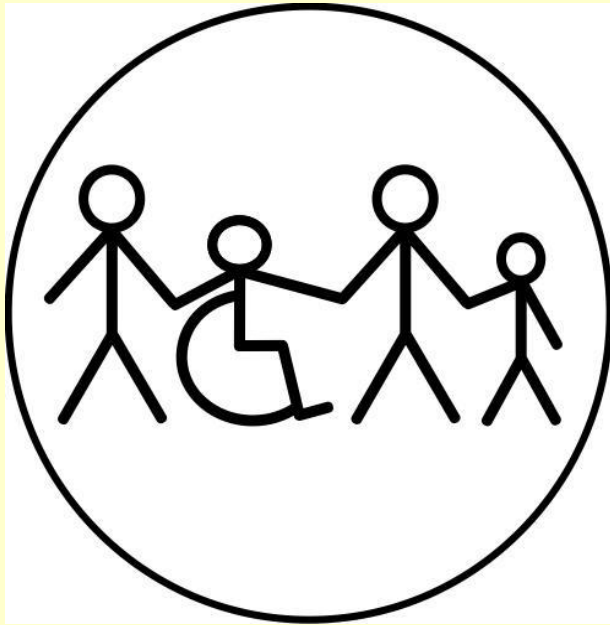

Working in partnership

- People with learning disabilities
- Family Carers
- Leicestershire County Council
 - Adults and Communities
 - Children and Families
- Clinical Commissioning Groups (CCG's)
- NHS England
- Leicestershire Partnership Trust

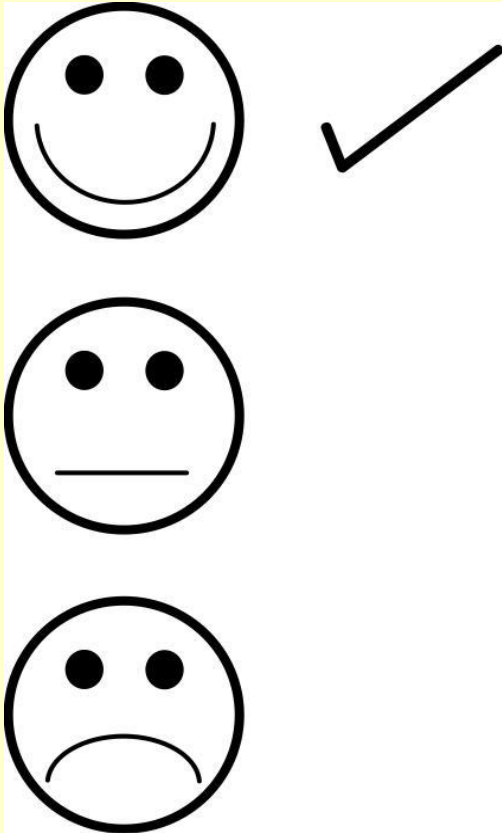

Understanding Our People

- Health keep a list of people with learning disabilities, autism and mental health problems who are in hospital
- People are not in the Agnes Unit for longer than they need to be
- The Council have checked where everyone is who does not live in Leicestershire but their services are paid for by Leicestershire County Council
- Checking how health and social services work together to support people well

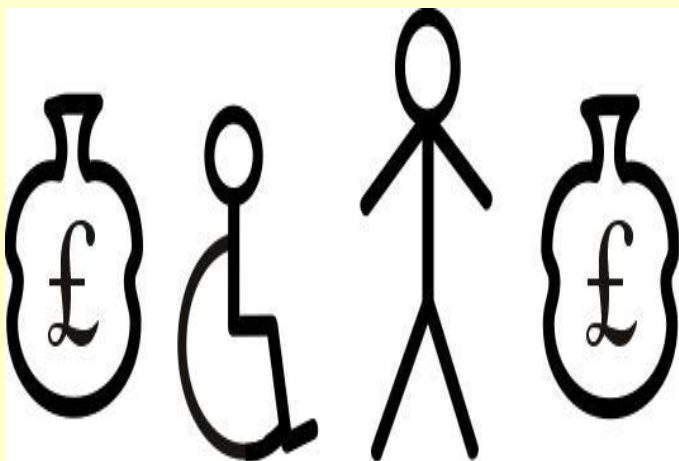

Quality and Compliance

- Quality Checkers
- Driving Up Quality Code
- Checking how providers are doing
- Finding out about good ways of working

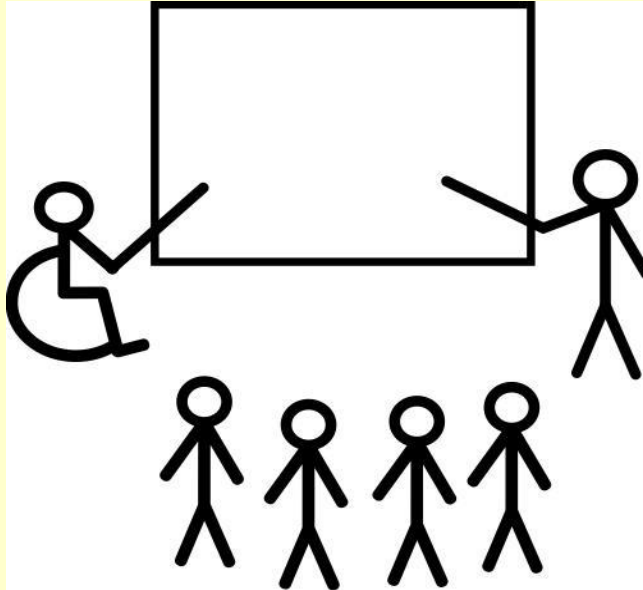

Effective Commissioning - getting the right services

- Pooled Budget - health and the council put their money together
- Making sure people can get good support quickly if they are having mental health problems
- Health and Social Care working together
- Commissioning Advisory group

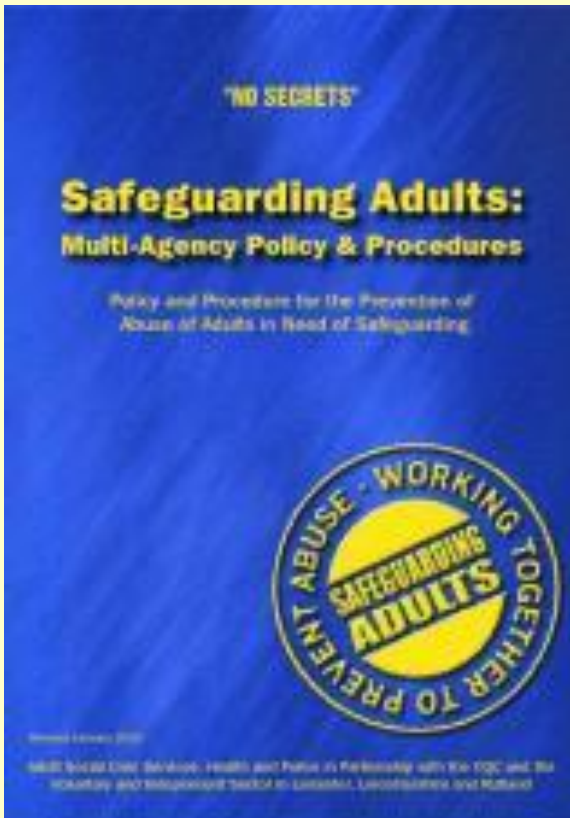

Effective Workforce

- Making sure we have the right staff with the right training
- Working with people with learning disabilities and family carers to find and train new staff
- Training for families

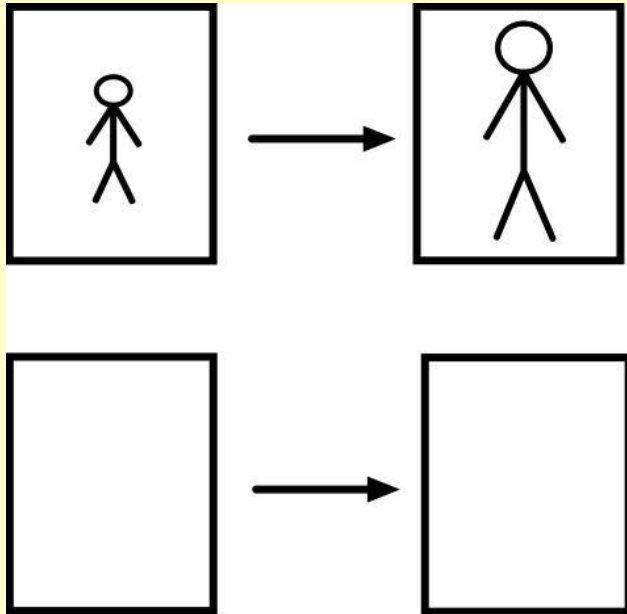

Keeping People Safe

- Making sure we know where people are
- Making sure people have good information about how to keep themselves and other people safe

Working with Children and Families

- Planning for the future
- Good services to support Transition
- Making sure adult services know what will be needed in the future
- Knowing how much we spend on children and young people with learning disabilities
